

The Woman in Islam

By Margary Hassain

IN the Name of Allah (God) MASTER FARD MUHAMMAD, to Whom Praises are due forever. The Woman in Islam Gives Holy Praises to Allah and forever Thanks Him for Giving us Our Divine Leader and Teacher, MESSENGER MUHAMMAD and His Divine Teachings.

MESSENGER MUHAMMAD teaches us the Divine Principles of Allah (God) and he teaches us that we must practice these Divine Principles then we will be successful.

MESSENGER MUHAMMAD .. in teaching The Woman in Islam ... concerning Man and Wife; they must be good to one another. The woman should treat her husband in what we call a soft and gentle way. The husband should do the same. This is the way of love. They feel sympathy for one another and comfort one another. Man and Wife should marry for love and love should always be present with them. They have Allah (God) With them when they have love with them, as the scriptures teach us.

MESSENGER MUHAMMAD teaches us that under the rule of the devil we were savages and we treated each other in a savage way; manner. We had no good manners, no courtesy, kindness, consideration, love or respect for self or for others. We did not know ourselves nor others and we did not know how to choose a mate.

MESSENGER MUHAMMAD, in all things, is our example. In speech he is soft, kind and gentle, to the believers; those who are striving in right - doing. Conversation, speech, talking, is one of the most wide - spread things that we do in our everyday dealings with one another. Before choosing him or her as a mate, it is wise for us to notice the way sister or brother speaks to other people. For in choosing a harsh - speaking, quarrelsome person for a mate you are choosing hell instead of heaven.

YOU will find that some people use a harsh tone of voice and give a loud firey answer no matter when or how or what you speak to them about. This is their way ... a way full of hate in looking at life and in looking at others. To Choose such one as a mate is choosing this hatred for every hour, day and situation in your life.

MESSENGER MUHAMMAD teaches us that Allah (God) Came to Divine the peaceful people from the hateful people and to put the peaceful people together with the peaceful people, like themselves.

MESSENGER MUHAMMAD teaches us that you are not justified in staying with a quarrelsome, unpeaceful mate, for Allah (God) is not with the quarrelsome and He Leaves people when there is quarrel. They do not have Allah (God) in their home. He teaches His Messenger to make peace quickly among the righteous. Allah (God) Removes Himself from among the quarrelsome and the unpeaceful people and if you pay attention, you will see the righteous removing themselves from the company of the loud, quarrelsome and unpeaceful ones. It rubs against their nature for we are being restored to our nature of peace by the teachings of MESSENGER MUHAMMAD. We are being returned to the Presence of the God of Peace and we desire Allah (God) With Us at all times.

The Woman in Islam Gives all Praises to Allah (God) for His Divine Messenger and His Divine Message of Islam, the Making of Peace.
