

Wash and Be Clean

By ELIJAH MUHAMMAD
Messenger of Allah

WE cannot expect to join onto a clean society of people without cleaning ourselves up. This uncleanness is what keeps the Black Man of America, out of society.

THE BLACK MAN is willing to go filthy himself and he also uses filthy language. This is rejected by the better society. People who have filthy habits are what we call, a low-class of people. They are shameless and do not care for the public.

LOUDNESS is another thing that causes us to be turned down, because no intelligent society likes a loud person. The devil still has his place in the society of the nations of the earth, regardless of our knowledge of him, given to us by Allah (God), Who Came in the Person of Master Fard Muhammad, to Whom Praises are due forever.

THE devil practices good manners. Why do not you and I do the same thing? We can, if we want to. We must clean ourselves externally as well as internally. You have all of your answers in the Bible.

WE must put a stop to the habits of gambling and using drugs for pleasure. This will bring us a higher percentage of good health as well as cleanness.

THE GOVERNMENT, itself, warns you against being indecent. It warns you against smoking, drinking whiskey and

using drugs. Although they sell them to you, they still warn you that they are not good for you.

NO ONE wants a person who does not care for, or respect, their society. If I were you, I would wash myself and rid myself of these filthy, sickening and death-dealing habits.

THE Black Man of America was brought up by his slave-master. It was and is the purpose of the white man, to bring the Black Man up in such way as to make a mockery of the Black Man . . . to make him unwanted by his own Black people.

WE must even teach Africa, and all other Black peoples, wherever they are on the earth, to have higher morals and more self-respect. We must get to them.

WE MUST resurrect the Black People all over the planet earth, into the knowledge of this great important truth, and belief, in The True God Allah Who is physical and not a spirit. Then we will soon get these physical things that we long for.

THERE is an old saying among our people, that God does not want anything but our soul. They say that the body does not have to get ready for God, in the way of cleanness.

THIS attitude shows that they have no respect whatsoever for self and God.

LET us rise up, and with the Guidance of Allah (God), make a people of self-respect. Allah (God) has already promised us the earth and all the wealth

The Honorable Elijah Muhammad

we want. It is written in the Bible prophecy of the Jesus, which teaches us, it is God's "good pleasure to give you the kingdom." (Lu. 12:32) and that the meek shall inherit the earth. (Mt. 5:5) We are those people the Bible is referring to. It is we, whom Jesus, is referring to, in all of his parables of God hunting for us and the return of us is clothed with wealth and plenty.

SO, ALLAH (God) Came to affirm in these words, "Submit to Me and I will set you in heaven at once," that which was written of Him. All of us who Believe can, and are, entering this right now.

CLEANLINESS and clean language, is what you need to practice, right now. We must be clean internally and externally. WASH AND BE CLEAN.

HATE TEACHINGS!

By ELIJAH MUHAMMAD
Messenger of Allah

The origin of hate teachings comes from the devil, who is the originator of hate. The first we read of anything like hate teachings was from God, and it was between Isaiah and Jacob (Bible, Gen. 7). But, the origin of that was between Adam's two sons (the devil), where the murder took place; due to the hatred of one brother against the other. One brother desired to kill the other brother so that God would not take him for an object of love.

This is the same thing that is going on today. Envy and jealousy of God's Love and Blessings for the Righteous. So much so, that the wicked hopes to kill the Righteous. Hate, surely demands of sin. The devil hates Truth, because he is not made of Truth. Therefore, he calls Truth hate teachings, because the truth is against his works of evil, and it brings them, manifestly, before the eyes of the Righteous. This, he calls hate; but it is the Truth that he hates, and he is hoping that you will join him in hating the Truth as he hates it.

Actually, they were made to hate Truth, though they know Truth; but their actual nature was not made of Truth. As the Jesus declared; there was

no Truth in them and that their father was not of the nature of Truth; but was of the nature of a liar, and he told the first lie (John 8:44).

They were the originators of racism, not you and me. And, any race that thinks anything of its race is a racist. We cannot love our race unless we are for that race. This is another trick that the devil is using on you. This is to make you love him and his people. He knows it is against the Will of God for you to love him. He knows that, but he deceives you. It is an intelligent person who loves his own race and wants his own race to stand out for itself, and not mix itself up with other races. This is intelligent and decent. This, the white man knows.

We all are racists who have two cents worth of knowledge, because racism is only the love of your own race. But, you love other than your own race, and you want to join in and love everybody. This is your damnation, Mr. Preacher; because everybody is not to be loved. It is only the Righteous who are to be loved. If everybody is to be loved, God would not have set a Judgment for the wicked. How foolish you are. Blind to the knowledge of the scriptures for you preach your own damnation and do not know it.

The Racist; and you are right.

Be Yourself and Do Something for Self

by
Elijah Muhammad
Messenger of Allah

The great trouble with you, as the Bible gives you a parable, by Jesus, of yourselves today, is that you are lazy, lying at the rich man's gate, begging. You would rather fight the master for bread than go and try the earth for some bread for yourselves as he is doing, and stop trying to be other than yourselves (of other people).

You are very silly to want to be members of other races instead of wanting to remain members of your nation, which is the first and the last.

Black love Black as other races love their color, and be your own selves and stop trying to imitate people other than yourselves, and do good to self and to others. Do evil to no man.

Man doing evil to man has caused the criticalness of the whole world. Try and live. Come follow me. I will lead you to Heaven in this life, but you must be a Righteous one (of whom you were born).
