

What Islam Has Done For Me

Only Allah's Messenger Can Help the Black Man

By Sister Sandra 8X
(Mosque No. 25)

Since being in the Nation of Islam, I have developed a keen sense of awareness. By that, I mean that I know who I am and what I want. I have gained a beautiful knowledge of God (Allah). All praise is due Allah. The Honorable Elijah Muhammad is truly a Divinely missioned leader.

WITHOUT THE true knowledge of God and Islam, I would still be among the "mentally dead." All praise is due Allah for our dear Holy Apostle, the Honorable Elijah Muhammad.

The Messenger of Allah is the only Savior of the so-called American Negroes. Without him, they are lost.

Being in the Nation of Islam has taught me to demand respect of a kind I had never before imagined. If only all my

people would wake up and see the truth as it is now being taught by God himself through the Honorable Elijah Muhammad.

THE TROUBLE lies mainly in the "white-washing" of the so-called Negro by the most wicked man on the planet, the devil. The Negroes refuse to accept their own. Instead they attempt futile efforts to appeal to the devil's non-existent "conscience" and try to "integrate" with the wicked.

Yet, even as they continue their hopeless appeals, the devil's dogs have more "human rights" than the so-called Negroes who want to live with him.

I truly thank Allah for giving us our Divine leader and teacher, the Honorable Elijah Muhammad, because without him, the Black man in America is lost in the devil's handmade hell on Earth.

At the Crossroads of Life, He Found Direction in Islam

By Brother Dorris X
(Mosque No. 18)

I can never stop giving thanks and praise to the Honorable Elijah Muhammad for opening my blinded eyes through his wonderful representative, our Minister Theodore X.

IMMEDIATELY upon my release from the armed forces, I was at the crossroads of my life. Then I was introduced to this new way of life.

I learned of my God (Allah), Master Fard Muhammad, to whom all praises are due, and I learned about self and kind. Then I received instruction and obeyed.

I have been successful ever since. That is the reason I write this; so that others may receive the benefits of Islam.

I SETTLED down after reclaiming my own and being blessed with a "queen," my wife Ann X. Allah has also blessed me with two precious children, a dry cleaning plant, two dry cleaning shops and good health.

With these blessings, I can aid the Messenger of Allah by contributing funds for the establishment of the Muslim Educational Center and getting my customers to subscribe to Muhammad Speaks and buy Message to the Blackman and How to Eat to Live.

This is just a peep at what Islam has done for me. And what it has done for others, it can do for you our readers of Muhammad Speaks who have not reclaimed your own.

San Quentin Inmate Tells How Islam Turns Criminals from Ways of Devil

By Wendell X
(San Quentin)

I am writing these few lines on what Islam has done for me and my brothers in San Quentin Prison, and how our eyes bear witness to evil spreading far and wide.

MY BELOVED brothers and sisters in that great Nation of Islam of the peaceful and righteous, I am at this present time in San Quentin Prison and have been a follower of the Honorable Elijah Muhammad for three years.

Since being here and hearing the teaching of the Honorable Elijah Muhammad, I have recognized the disadvantage of the evils of this world and made up my mind to refrain from their use. I have made up my mind to submit to the will of Allah, who came in the person of Master Fard Muhammad, which is righteousness and justice.

Many of my brothers here were dope users, robbers, rapers, wine drinkers, thieves, pimps, and every other evil known to civilized man. I have even done some of these things. Why? Because

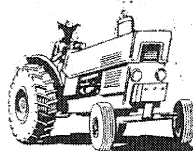

we did not have any knowledge of ourselves, or that our nature is to do righteousness. We, my brothers and sisters, are righteous Muslims. We were just shown the wrong way.

THE HONORABLE Elijah Muhammad is here to fix up what has been messed up by the evildoers, our oppressors. Many of us here in prison and on the streets see who the Messenger is. We must stop being fearful. All my brothers said that their own mother and father—even this prison—did not stop them from doing evilness, only the life-giving teachings of the Honorable Elijah Muhammad.

The Honorable Elijah Muhammad has the strength of Samson and the love of Allah. How is it that this little man is so powerful to pull us so-called Negroes out of all that foolishness. Many of us have never seen him in person, yet, we love him.

HE IS GOD'S Messenger. We tried Christianity. It didn't work. Try Islam, it will work. It worked for me and my brothers in San Quentin.

Don't worry, my beloved brothers and sisters, just hold fast to Islam, for Islam is worth more to you than your weight in gold. Let no one deceive you, for Allah will not leave us in the condition in which we are until he separates the evil from the good, nor is Allah going to make us acquainted with the unseen, but Allah chooses of his messengers whom he pleases. So believe in Allah and his Messenger, and for you there will be a great reward.
