

WHITEMAN AND THE HYP

By JOHN ALI,

National Secretary Nation of Islam

A great affront has been made to the Black people of Chicago and America by naming a school after Malcolm right in the home of the Honorable Elijah Muhammad. Long have we witnessed the efforts to make a martyr out of Malcolm Little, known better as Malcolm X. Many times people have said—nothing should be said about or against Malcolm X as this brings about an element of division in the Black community.

It is known and let it be understood, that the Honorable Elijah Muhammad is 100 per cent for the Black man in America. The only division has come from the Black man being divided from the Honorable Elijah Muhammad by awkward leadership and the overt and sublineal intervention of our former slave masters.

This effort throughout the country to glorify Malcolm by the former slave master and his puppets, is a great attempt to weaken the leadership position of Messenger Muhammad or to embarrass him and finally to make and fester a bed of opposition to Messenger Muhammad.

It is not an issue of can't Muhammad withstand opposition as Messenger Muhammad's ability to overcome his opposition is a test of his being the Messenger of God and further proof to his opponents and provides an opportunity for Allah to make Himself known by backing up and supporting the Honorable Elijah Muhammad over any and all his opponents. Muhammad's opponents are considered by him and God as a gnat chewing at a mountain.

But Messenger Muhammad's job is saving souls of a fallen people, the Black man of America. It is in this realm, keeping our people from avoiding a confrontation of fire, the issue of Malcolm is brought up so Black people may avoid the false impetus provided by that tragedy of building up reverence for Malcolm.

Just as America is concerned and anxious over the present Viet Nam crisis and is eager not to get involved in another self-destroying crisis . . . so, too, is Messenger Muhammad even greater concerned in saving the lives of the Black man of America from the doom and destruction divinely planned for America. In view of this development by the slave-master and unknowing jealous and envious Black leaders to get Black people to defect to idol or hero worship of Malcolm or some other Black or white man as his benefactor or Saviour is why this issue is brought up. It is not on digging into the grave of Malcolm and presenting and rehashing irrelevant issues. No! This is the argument of the unknowing, but the scholars and scientists know Messenger Muhammad is going about the only work among the dead of bringing the Black man of America from a dead state to the live state.

Long have the Black people of America had self-styled, hand-picked establishment (power structure, the man downtown and funded government-sponsored organizations) leaders. This is not the case of the Honorable Elijah Muhammad, who boldly states that he is the direct representative of God, as a Messenger, and was chosen in person by God, Who came in the Person of Master Fard Muhammad.

None of Mr. Muhammad's statements of being the Apostle of God have been challenged or disproven by any theologians. Let us, examine the psychology behind naming an institution here in Chicago after Malcolm. What was the motive behind this? Long has the white man taken up the mantle of the fallen and the dead among Blacks for them to idolize and to follow. Mind you now, the white man does not advocate the worship of Malcolm for his people; but only for those Blacks who are inclined to doing Black in parts; to keep them from accepting the whole realm of Black as advocated and preached by the Honorable Elijah Muhammad for the past 39 years.

It was only after Malcolm turned hypocrite to the religion of Islam and his teacher, the Honorable Elijah Muhammad, did the white man take up the exportation of Malcolm as an example for Black people. Why didn't the white man do this before the fall of Malcolm from the graces of Islam, the religion he professed to be in and taught during the more than nine years he followed the Honorable Elijah Muhammad? Malcolm, himself, acknowledged that his awareness of Black and the preachings of it all came from the Honorable Elijah Muhammad and many examples of his speeches or writings prior to his fall as a hypocrite (a religious term used to describe one who turns away from that which he professed or believes; militarily, they are called traitors; and, politically, they are called turncoats).

Long have we witnessed the white man doleing out pieces of things as "meat on a bone" to keep the Black man from going to his own; such as "reward after you die" (a lie which has been exploded by the teachings of the Honorable Elijah Muhammad and not commonly believed by the Black man). "Masonry" represents 33 degrees, a fraction of the truth, as Islam represents the whole of it—360 degrees. "Greek letters, fraternities and sororities" as a form of brotherhood as Islam represents the base of all brotherhood.

And now, the idolization of Malcolm's and Martin Luther King's as examples for Black people to follow. We are well on to this trick of picking dead men (Jesus, Booker T. Washington, Martin Luther King and now Malcolm). If there is someone in America or the world who loves Black today, they must attribute this tendency to the Honorable Elijah Muhammad. It is easy to see why we pick up fallen and discarded leadership as we have been raised in a slave-mental environment. But it is time that we do not fall victim to that human tragedy that occurs from smaller men because of jealousy and envy.

The Shyless

The Filth That Produces The Filth.

Holy Quran (7:27) O children of Adam, let not the arch deceiver seduce you, as he expelled your parents from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be the friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cave-sides of Europe; until the birth of Moses. You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Well and so.

The Disgrace

POCRITES LOVE MALCOLM

It is known that the division of Blacks is perpetrated by church leaders who are trying to cover their false spiritual teachings in a variety of do-for-self plans taken from the teachings of the Honorable Elijah Muhammad.

If Black is loved so well, why don't these leaders and their followers patronize the Salaam Restaurant where they know, and the world knows, the best of food is prepared at prices adjusted to the Black community and not with the excuse or reason that smoking is not allowed and no drinks are served and indecency is not permitted.

If Black is loved so well, why don't they and their followers patronize Your Supermarket, which sets an outstanding example of superior products being offered for sale in meats, dairy, produce and staples.

If Black is loved so well, why don't they acknowledge and follow the man who has made it so predominate in getting to the root of it all by letting us know that we are the Asiatic Black man.

The Black man of America will not be fooled by all this glorification and elevation of Malcolm. Malcolm was nothing more than a student of the Honorable Elijah Muhammad and not even a good student as he did not keep on the right path of continuing to follow the teachings of the Honorable Elijah Muhammad.

Why does the whiteman want to res-

urrect Malcolm? Why does the whiteman want you to think Malcolm was a wonderful teacher and why didn't God save Malcolm from guns which brought him down?

Messenger Muhammad stands before you and your guns but Messenger Muhammad has the power with him Who has power over the gun holder and the gun. You can't kill him unless God allows you to. The whiteman knows he would be committing suicide, but he would like for you to do it.

Why would he think Martin Luther King was so great for you? Why didn't he let him stay alive? White people killed him. He decided to try to integrate with you, honor you and yet you killed him. Is this the pay from us all trying to integrate with you? Martin Luther King nor his successor have had any success.

Malcolm was for continuing the rule of the white man when he went back to him and began preaching the whiteman as an equal to or superior to the Blackman.

If worshippers of a dead Jesus are coming to a naught, what do you expect to happen to you who are now being deceived into Malcolm lovers?

We say both phony Black leadership and the white groups trying to prevent the divine prophesy of the religion of the Black man by the intervention of God through an appointed Messenger,

the Honorable Elijah Muhammad. But the Black man will not be fooled by these plans of self-help, Head Start, Black Capitalism, Black Nationalism, Afro-Americanism and other pseudo-plans which are designed only for one thing, to keep the Black community specifically away from accepting the right teaching of the Honorable Elijah Muhammad. Our heritage is more than tribalism, hair dos, dances and music. It goes further back than West Asia being named Africa by Alexander. Muhammad goes to the root to give us a high civilization.

Malcolm's brother, Philbert Omar—who introduced Malcolm to the teachings of the Honorable Elijah Muhammad, is the Minister of Muhammad's Mosque No. 1 in Detroit, Michigan; and, Malcolm's older brother, Brother Wilbert, is in the Mosque there also. They too, like the rest of us had and have the opportunity to go and join the ideas Malcolm advocated after turning hypocrite but they chose to stay with the righteous in the right path the Messenger is preparing for us. Would be worshippers of Malcolm would do well to think many times before pursuing along this idiotic course. It is already well written and documented, the doom and destruction God would put on our slavemaster. The white man honors and respects Messenger Muhammad. The Black man of America should follow him.
