

# The Woman in Islam

By Margary Hassain

In the Name of Allah: The Woman in Islam gives all Holy Praises to Allah (God) Master Fard Muhammad, for His Divine Message and His Divine Messenger Muhammad.

**MESSENGER** Muhammad prepares the Woman in Islam to master and command her place as a wife. It is the natural desire of every woman to become a wife and mother. However, in Christianity, her desires, were doomed to failure from the very start due to lack of knowledge of self and other than self, and the lack of knowledge of how to be a good and successful wife and mother.

**WE CAN NEVER THANK** Allah (God) enough for Messenger Muhammad, for he not only removes the veil of ignorance which veiled our presentday life, but he rips off the veil from the enemy (white race) who weapped us in ignorance.

**FOR** the first time, the Black woman who waits to obtain her husband in the right way and live a married life in the godly manner, is justified. In all things she must wait on the salvation of her Lord. She knows daily that Allah (God) is bringing about a change in all things and is righting all wrongs.

**HERETOFORE**, the Black Woman who is a window indeed and completely alone, has received only scorn, ridicule and mockery but her very own Black sisters, because of her lack of a mate. If they thought someone was interested in her they mocked and blocked her hopes for a

union and pursued the Black Man for themselves. And since they deserved one another, many times Allah (God) let them be successful and their success and glee turned to ashes in their hands as they lived in hell with their ill-gotten mate. They looked for sympathy from the very sister they had robbed. This is the way of the devil. He robs and kills our poor Black People day and night and then when he has loses in life, property and prestige he cries over the television and radio for the sympathy of the Black slave. Therefore his influence permeates our daily and causes our ungodly dealings with one another in our personal life. How thoroughly he has robbed our poor Black People of even common decency and concern for one another. Hourly the devil is falling and those who continue to imitate his acts are falling with him though they may not know it. So be of good courage my good Black sisters.

**PROV. 30:21 - 23.** "For three things the earth is disquieted, and for four which it cannot bear: For a servant when he reigneth; and a fool when he is filled with meat; For an odious woman when she is married; and an handmaid that is heir to her mistress."

The Mockers laugh and mock because their minds are ruled by the devil, and they are slaves and enslavers as the devil is. **THESE VERSES** give powerful emphasis to our wise teacher **Messenger Muhammad** whose Divine Teachings first elevates our minds to the place of rulers in the in - coming Government of **FREEDOM, JUSTICE AND EQUALITY.**

**WE** thank Allah (God) for His Greatest Messenger Muhammad and His Greatest Teachings. **THE WOMAN IN ISLAM** bears witness, that **ALLAH IS THE GREATEST.**
