

The Woman in Islam

By Margary Hassain

IN THE NAME OF ALLAH (GOD) MASTER FARD MUHAMMAD, to Whom All Praise is due. THE WOMAN IN ISLAM gives Eternal Thanks to Allah (God) for His Divine Messenger Muhammad and the Message he brings.

MESSENGER Muhammad teaches us that the Black Man made the Black Woman for himself. She was made for the purpose of pleasing the Black Man, her Black mate. She belongs to him and to no other, and if she did nothing else but please her husband, that was all that she was made for. How simple, beautiful and far - reaching are the teachings of Messenger Muhammad. His Divine teachings extend in a straight line, a straight path, from the beginning of the creation and there is no end to the Wisdom of the God Who teaches him, Master Fard Muhammad, to Whom Praises are due forever.

MESSENGER Muhammad teaches THE WOMAN IN ISLAM Divine Truth and simplifies the truth until it is so plain that understanding is instantaneous. She follows him. We must follow him so that we can see the great things that he

is revealing to us. How beautiful is the depth of the meaning of all that Messenger Muhammad teaches us. He states simply, "COME FOLLOW ME." The word, FOLLOW also has a meaning deeper than the meaning that we are usually accustomed to.

Webster's New International Dictionary also defines the word FOLLOW as meaning, connection, or FORCE OF, as of a person, or a COURSE OF THOUGHT or argument, for example, "He followed the argument easily."

UNDER the rule of the white man's civilization and through his far - reaching power over the Black Man for many thousands of years, (6,000) WE the Black People were robbed of the priceless gift of UNDERSTANDING. Our minds became stagnant pools, our life - thought was killed. We were robbed of the power of thought.

UNDER the Divine Teachings and Guidance of Messenger Muhammad life - thought is restored to the Black Man and Woman in Islam, the river of our mind is purified and freed to rush as mighty rivers unleashing our Black Power TO ACCOMPLISH WHAT WE WILL.

ALL PRAISES ARE DUE TO ALLAH. LONG LIVE MUHAMMAD! LONG LIVE MUHAMMAD! LONG LIVE MUHAMMAD!
