

# The Black Woman

By Dorothy Wedad

For Chicago and most areas where there are severe winters, this season of the year is most welcome. However, many people express sorrow at the onset of this summer.

Following the white man's styles, The Black Woman has gone completely wild. Since I have been born, I have never seen the Black Woman more disgraced and never has she been made so shameless.

I thought the mini - dress was the worse of devil's style. But these short - short pants only serve to bear witness of the Teachings of the Honorable Elijah Muhammad, the Messenger of Allah, that this white man is truly the devil and a master tricknologist.

The devil saw the Black woman attempting to return to her own. He saw her uniting with Black groups, talking Black and dressing in long African style garments. He knew that this new awareness of Black self would eventually unite her with the Honorable Elijah Muhammad.

So, being the devil, he came out with this filthy style in the top fashion magazines and on his television to entice the Black Woman.

By him having kept the Black Woman in slave garments for so long, she has always envied the dress of the devil woman and wanted to pattern after her because she was made to believe that the devil woman was a symbol of beauty. And, ever since slavery the Black Woman as been dressing in

accordance with what white society dictates.

Observe the Black Sisters today walking practically nude in the streets. Why she thinks she looks good. Makes no difference if she is aged or youthful, mother or daughter, fat or skinny, many of them have on these short - short pants.

No wonder the youth are confused. This is some kind of world in which to grow - up. See how proudly she walks; she knows you're looking at her. Why you can't help it, even if from sheer shock.

She sways past the men on the street corners. Now watch the brothers as they eye her down the street. Listen to their comments. Then you will understand for yourself just how thoroughly this devil has deceived our people.

We have learned from the Teachings of the Honorable Elijah Muhammad that when the devil was in the hills and caves of Europe he went savage and crawled around on all - fours. Therefore, being nude is within the very nature of the devil. However, Black people by nature feel ashamed.

Messenger Muhammad teaches us that we are a righteous people by nature. If that Black Sister were to tell you the truth, she had to get up enough courage to wear this filthy garment. Whereas, the devil woman has the natural urge to go nude and has to get up the courage to put on her clothes. My, but we are a foolish people, we go against our very nature to be like the

devil.

The tragedy of this dress will attract the brothers. And it does, but why not tell her the truth my Brothers. Tell her she is not only attracting you but the entire world to see her shamelessness and immorality.

She is a disgrace to civilized society and you brothers who whistle and make suggestive comments are helping to encourage her to wear these filthy garments. Yes, she is attractive to you, but for a few moments and then what do you really think of her? We should all hang our heads in shame.

During slavery the devil used the Black woman at random for his own pleasure and he only allowed her to man to use her for breeding. As such, Black men have lost all respect for their women, for themselves and for the sanctity of the Black family, which is the key to civilization.

And now some 400 years later, he is walking around talking about Black power and he still has no control over his woman. Worse still, he encourages her in this filth by not taking a stand on her code of dress.

Many say they have no control over the manufacturer, but I tell them they have control over what comes into their homes.

If a Black man allows his woman, whether it is his mother, wife, daughter or sister, to wear these styles, he needs to be horse - whipped. You may not like this brother, but it is time we stop sugar - coating facts.

As your sister, I will tell you the truth as I understand it. Most Black Women do not really know what is good for them. The devil has so destroyed her with his hand - me downs of freedom that she thinks she can do just what she wants.

You can't tell her anything. If you try to enforce your will on her, she may call the devil police on you. If she goes into the devil's courts, nine and a half out of ten times she will win.

Most of our women have the better jobs with the higher salaries. Some use this to show they are the boss. As long as she continues in this ignorance she remains the apple of Mr. Charlie's eye.

He will do anything he can to keep you and she divided, because he wants her for himself. Why, because she is the best, so teaches Messenger Muhammad that she is the mother of civilization and the queen of the universe.

My Brothers, the very fact that the devil man loves your Black women, so well should

have told you how precious she is. But you have been asleep. Now you have a Leader and Teacher, the Most Honorable Elijah Muhammad who is guiding us into all truths.

He taught us that we are not responsible for the morally depraved condition into which we have fallen. It is this devil (white man) who destroyed us.

But Messenger Muhammad is offering you a chance now to reclaim your own: to make you rule as you once did. Look at what he is doing for the Muslim Sisters who follow him. They are striving to be upright and throwing off the mental chains of slavery which have caused them to hate themselves and even more so their men.

Once you accept Islam as taught by the Honorable Elijah Muhammad, overnight you will be on the road to controlling yourself, your home and your woman. Brothers and Sisters who have not accepted Islam, you have tried everything else, why not try following The Honorable Elijah Muhammad.
