

## The Woman in Islam

By Margary Hassain

In The Name of Allah, Master Fard Muhammad, to Whom Praises are Due forever. The Woman in Islam Gives all Holy Praises to Allah (God) for His Divine Messenger Muhammad Who awakens us to the knowledge of the time and puts us into action.

UNDER Christianity, the best that we Black People could say concerning knowledge of self is that we were classified as male and female. And with what the devil has done today, to the morals of the people under his rule, even that classification is uncertain. Their own society, their very children, are refusing to go further with them under their leadership. Only the blind Black People, who do not know the time, and 'who do not know their God' continue to look to the devil and his Black disciples for leadership.

These silly, weak, Black Preachers of the devil, who pretends to listen to their 'ideas' of the problem of Black and white. Bible Dan. 11:32.. "And such as do wickedly against the covenant shall be corrupt by flatteries:"

IN ISLAM, before we could

see, Messenger Muhammad has long been teaching us of the Time and What Must Be Done. Now, the world can see, Bible, Dan 12:1.. "...and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book."

The Woman In Islam, bears witness to the truth and the power of the truth, which Messenger Muhammad teaches us. The truth is truly our salvation and our strength. His Divine teachings bring the Woman in Islam into the full knowledge of who, what, where, how and why she is Woman. We must know our God, our self and our enemy in order to follow the safe course, Messenger Muhammad Guides us, through this troubled time.

Bible, Dan. 12:32.... "...but the people that do know their God (the Muslims) shall be strong, and do exploits."

The Woman in Islam throws her full impact, loyalty and support behind The Honorable Elijah Muhammad, the Messenger of Allah. If you value your life and your freedom, you will do the same. Muhammad has given us the words of our national song, "We are fighting for Islam, and we will surely win." All Praises are due to Allah for Giving us His Divine Messenger and His Divine Message.
