In making cherry or any berry pie that is very juicy, try beating an egg white, and mixing in the sugar required by the fruit; add a little flour, mix thoroughly

and then bake as usual. In this way, excess juice will be in the pie and not in the bottom of the oven.

A rubber dish scraper is

ideal for stirring almost anything cooking. It covers more surface than a spoon and the rubber gets in the curves and around the sides of the pan to prevent food sticking and burning. It is especially helpful for jelly and jams, puddings, corn and gravy.
