

The Woman in Islam

IN the Name of Allah, (God) MASTER FARD MUHAMMAD, to whom Praises are due forever. The Woman in Islam Gives all Holy Praises and Thanksgiving to Allah (God) for Giving us a Divine Leader, Teacher and Guide His Divine MESSENGER MUHAMMAD and His Divine Message.

WOMAN IS THE HOME-MAKER

MESSENGER MUHAMMAD teaches The Woman in Islam of her greatness. She is the queen of the planet earth, the mother of civilization, and she is also a home - maker. In all of her aspects her place is an honorable and important place.

MESSENGER MUHAMMAD places great stress and importance on The Woman in Islam learning and practicing the arts of home-making... cooking, sewing, decorating, cleaning the home, caring for self, the home, husband and children.

MESSENGER MUHAMMAD teaches The Woman in Islam to love her home and her duties of home-making. There is no place where a woman is more of a woman, than in her own home. He warns us that times will become increasingly critical. So make the home beautiful and comfortable. Supply the home with necessities of life.

In Christianity, down through the years, the white man has caused us to hold home-making in low esteem and has thereby robbed us of the beauty, comfort, enjoyment and pride in our homes. In causing the Black woman to lose the precious feeling towards her home, the white man has robbed the Black woman, her Black husband and her Black children.

OUR home is a vital part of our life. Everyone needs a home. Everything needs a home. Every nation needs a home, and every nation on the planet earth has a home, except us, the poor robbed Black People in America.

MESSENGER MUHAMMAD teaches us that The God made a home for Himself... The Planet earth is His Home. We, the Black People, are decedents from the Original God, the Creator of the heavens and the earth, therefore the Planet earth belongs to us. We must regain our love and desire and respect for our own, our home.

MESSENGER MUHAMMAD teaches us that the husband provides a home for his wife and family. It is the duty of the wife to care for and beautify that which the husband provides for her.

One of the major causes of the lack of peace in the home is the failure of the woman to keep house. Every woman dreams of a beautiful home, but even a brand-new mansion will not remain so, if it is not kept up. It angers the man to see all of his good work go for nothing. A neglectful wife will always keep a man in a condition of poverty and ugliness. An ugly, dirty, upset home is very depressing to the mind.

MESSENGER MUHAMMAD teaches The Woman in Islam to be wise. The Bible bears witness to his teachings Pr. 14:1 "Every wise woman buildeth her house: but the foolish plucketh it down with her hands."

MESSENGER MUHAMMAD teaches us what Allah (God) Knows we have need of and what He is Come to Give us who believe and accept Him... WE WHO ACCEPT OUR Own ... MONEY, GOOD HOMES AND FRIENDSHIP IN ALL WALK OF LIFE. Let us be thankful and take care of What Allah (God) Blesses us with.

ALL PRAISES ARE DUE TO ALLAH (God) FOR HIS DIVINE MESSENGER MUHAMMAD and HIS DIVINE MESSAGE.
