

The Woman in Islam

BY MARGARY HASSAIN

IN the Name of Allah (God) MASTER FARD MUHAMMAD to Whom Praises are due forever. The Woman in Islam Gives all Holy Praises to Allah and forever Thank Him for His Divine Messenger Muhammad.

THE MAN: THE FAMILY PROVIDER

MESSENGER MUHAMMAD teaches us to take a lesson from nature. Nature, the natural have become such beautiful words to us who as a people were almost twisted out of our righteous nature by our enemy, the devil.

In the forest and in the jungle which is untampered with by the white man, there is natural law and order.

THE male animal is the provider and the protector. Man, in his right place, is the provider and the protector. MESSENGER MUHAMMAD teaches us that it is the duty of the man to provide the necessities of the house and the family. CARE for what he has provided, is the duty of the wife.

IN Christianity, the man, many times, let the woman or women provide for him and in so doing, he lost more, as a man, than he gained in meager provisions. Also, the man does not mistreat nor neglect his wife and family. The Holy Quran teaches us that man and wife are part of each other. They are one. And one should not harm nor neglect himself.

IN ISLAM we learn that the disbeliever, even if it is our mother or some other relative... the disbeliever is not the same as we are.

WE LEARN this, and Many bear witness that there is friction between the believer and the disbeliever. They do not see eye to eye.

Many times a disbelieving mother will cause the man to support her, even when she does not need it, by playing on the sympathy of the man. This leaves his wife and family unprotected and their life a misery.

BUT, the believing man must cling to the believing wife and let nothing come between them. The Bible bear witness,

Gen. 2:24 Therefore shall a man leave his father and his mother, and shall cleave unto his wife; and they shall be one flesh.

The Woman in Islam Gives ALL PRAISES TO ALLAH (God) MASTER FARD MUHAMMAD, for His Divine MESSENGER MUHAMMAD and His Divine Message.
