

The Woman in Islam

By Margary Hassain

ALL Praises are due to Allah (God) Master Fard Muhammad. THE WOMAN IN ISLAM forever gives thanks to Allah (God) for His Divine Messenger Muhammad and the Divine Message which he brings to us.

MESSENGER Muhammad is a raiser and teacher of Black kings and Black queens. Through the Divine teachings of Messenger Muhammad the Black Man and Woman in America is waking up from our long sleep during which time an enemy (white race) ruled. The spirit of the Black People of America is bearing witness to the truth which Messenger Muhammad teaches us of our great heritage of rulership.

NOW with tremendous momentum he is teaching the Muslims how to handle ourselves with wisdom honor and dignity in our rapid rise to our high place in the world.

THE white man's civilization brought the Black Man in America down to the lowest dregs of degradation and made a mockery of us as a whole people in the eyes of the world. The Bible Dan. 5:3 verifies this.

A STUDY of history teaches us that all of the kings of the civilization of the white race, were taught how to be kings from their earliest childhood. They were taught how to gain and retain the respect of their subject people. Messenger Muhammad teaches us that Yakub, the maker of the white

race, taught his people how to rule the Black Man. David, in the Bible taught his son Solomon, to be a wise ruler and Solomon himself, prayed for the gift of Divine Wisdom, knowledge and understanding so that he could wisely rule his beloved people (Bible Ki. 3:9). Allah (God) Master Fard Muhammad, to Whom Praises are due forever, taught and continues to teach Messenger Muhammad His Divine Wisdom Knowledge and Understanding and the Messenger Muhammad teaches the Black Man and Woman, who accept our own, all that we need to know in every area of our life.

THE WOMAN IN ISLAM is taught the same basic Divine principles as her husband so that we become one in mind and spirit also, and the kingdom be no longer divided by the intermingling of the evil spirit and influence of the devil which causes the Black woman to mock and degrade her Black husband at every opportunity.

THE new enrushing Divine Islamic Kingdom of peace, love and respect between THE WOMAN IN ISLAM and her husband is rooted in the Divine Creation of the estate of man and his mate.

Holy Quran Ch. 30:21 "And of His signs is this, that He created mates for you from yourselves that you might find quiet of mind in them, and He put between you love and compassion. Surely there are signs in this for a people who reflect."

ALL PRAISES ARE DUE TO ALLAH, MASTER FARD MUHAMMAD FOR HIS DIVINE MESSENGER AND HIS DIVINE MESSAGE.
