

The Woman in Islam

By Margary Hassala

ALL Praises are due to Allah (God) Master Fard Muhammad. THE WOMAN IN ISLAM gives eternal thanks to Allah for His Divine Messenger Muhammad, and His Divine Message.

THE WOMAN IN ISLAM gives much serious thought into the depths and far-reaching effect of her place in this fast changing world. Messenger Muhammad, for many years has been teaching us of the greatness of the Black Man and his return to his own place of rulership and separation from the power and influence of the white race.

THIS weeks' news of the rise of a new Black government and the voice and spirit of the Black Man in Africa and the civilized world bears stark witness to the Supreme Wisdom of Messenger Muhammad from Allah of the world, the times and the spirit and the people who will rule. The new world and the new spirit of independence and courage of the Black People is exploding into being and THE WOMAN IN ISLAM gives all Holy Praises to Allah (God) and knows of a certainty, that Messenger Muhammad is teaching THE WOMAN IN ISLAM the truth of her high

place and how she must take her place and behave in her place.

The new Black rulers are echoing the language of Messenger Muhammad and their actions are throwing off the physical shackles of the idea and rule of the white race. THE WOMAN IN ISLAM gives deep thought to "what of the Black woman behind the Black Man who are coming into the power of rule?" THE WOMAN IN ISLAM knows the answer for Messenger Muhammad is her teacher. There is no place for the disrespecting and unruly tongued Black woman. For Black rulers from around the world gather together in council.

When new rulers come to new palaces (homes) the ruler is an example of the ideas and behaviour of his Black People and his Black woman is taken by the new Black rulers to be an example of the thoughts and actions of the Black Woman of that people. Independent, spirited Black governments are being formed. Black Alliances are being forged between Black Brother and Black Brother around the world.

THE place of THE WOMAN IN ISLAM takes on vital and far reaching significance due to the work and teaching of Messenger Muhammad as the Work of Allah (God) through His Messenger Muhammad truly "Makes all things New." All Praises are due to Allah (God), for His Divine Messenger and His Divine Message.
