

The Woman in Islam

By Margary Hassain

IN THE NAME OF ALLAH, Master Fard Muhammad, to Whom All Praises are due. **THE WOMAN IN ISLAM** gives eternal Thanksgiving to Allah (God) for His Divine Messenger and His Divine Message which reveals to us our roots, established in the creation. We thank Muhammad for His Divine teaching and leadership which returns **THE WOMAN IN ISLAM** to her original modestly in manner and dress.

IN CHRISTIANITY the Black Woman, having fallen from the knowledge of herself followed the ways and actions of the devil. This caused her to parade herself one-half nude before men, with loud vulgar dress, action and conversation, all geared to attract the attention of a man — any man. The savage Black Man, in turn knowing the ways of such savage Black woman knew that she was looking for any man and since the morals of the woman was loose in the beginning of their association, the association was short-lived with no sense of loyal or faithfulness on either side. Messenger **MUHAMMAD** teaches us that we were kidnapped from our Black People in Africa and kept divided from even mother and child, from birth, by the white slave-master who prospered so long as we were divided and disloyal and blind to the knowledge of self and kind.

MESSENGER Muhammad teaches us that this is a dog civilization, and we bear witness, for Black men and Black women pursue each other with false, idle flirtation. Robbed at our beginning of our sojourn in this wicked America, we are robbed at every turn by our associates

and even are turned to rob ourselves of the good things of life, by following a way of life of white America. Now that the truth, Islam and the Messenger of Islam, Messenger Muhammad has come to us, we are mocked and hindered spiritually and physically by the filthy enemy of truth, from even going freely to His Messenger although he calls us continually.

THE wild animals of the forest who have escaped capture by this devil white race, have more mating decency, family, group, and kind-unity than we the poor mentally and physically robbed Black Man and woman in America.

LEWD, vulgar and immodest in manner and dress, the dictionary explains, show the acts of a people of uncertain origin (the white race's way) but **THE WOMAN IN ISLAM** no longer follows the white man's way for her teacher Messenger Muhammad teaches her her origin, that the Black Man and Woman are members of the Family of the Creator of the heavens and the Earth. Let us learn our lessons well and act and react accordingly. **ALL PRAISES ARE DUE TO ALLAH** (God) for His Divine Messenger Muhammad and His Divine Message; that we are the People of Allah (God) and Allah (God) Is the Greatest.
