

# Black woman turning, returning to her own

By Tynetta Deanar

The beautiful Black woman in America is now beginning to stir and shake off the dust of the ones who covered her in the dust, the so-called white man and, teaches Messenger Muhammad, Yacob's Grafted Devil. In shaking off the dust, she has begun to cleanse the skin of its impurities and to nurture the wounds

of afflictions as Jeremiah of the Bible had mourned her downfall and sorrowful condition in these words: (Jeremiah 12:4)

"How long shall the land mourn, and the herbs of every field wither, for the wickedness of them that dwell therein?"

And still further it is written: (Jeremiah 12:10) "Many pastors have destroyed my vineyard, they have trodden my portion under foot, they have made my pleasant portion a desolate wilderness."

The place of the Black woman today is beside her own Black man, in the home with her own Black family, in the righteous garments of her own nation; returned to the worship of her own God, Almighty Allah.

This is the return we crave and beseech the Divine Help of the Beneficent God through His Messenger, the Honorable Elijah Muhammad.

Let the beautiful Black woman in America return to her lost heritage and place in the household of her righteous Nation of Islam, to be no longer taunted and teased by every passerby as the Book of Jeremiah continues to testify:

"Mine heritage is unto me as a speckled bird, the birds round about are against her..." (12:9).

To the beautiful Black woman in America, we no longer have to lament the sorrows of Jeremiah, we now have in our midst that 'righteous

Branch' who is healing us of the wounds of our afflictions. (Jeremiah 23:5) "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall execute judgment and justice in the earth."

Why should the Black woman in America delay in her acceptance of her own? Why should she wait any longer to come out of the garments of mourning rent with ashes and sackcloth?

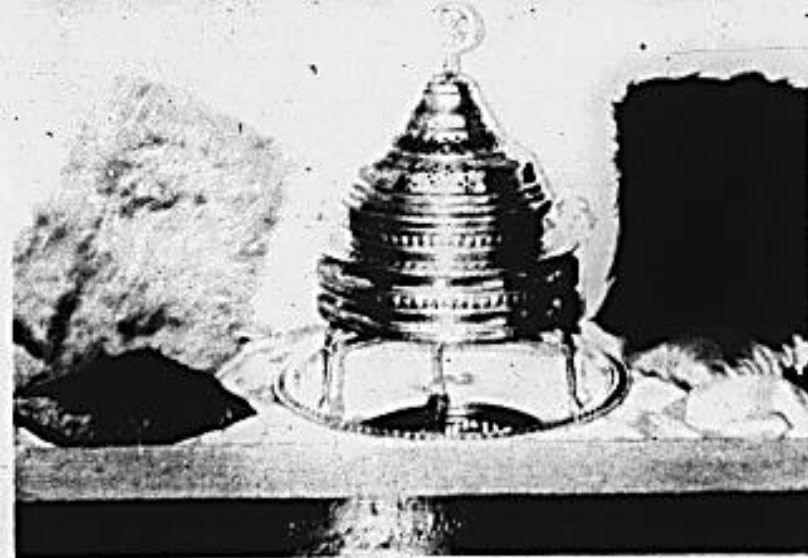

Why should the Black woman forsake our children coming into the world that they be denied their true and rightful heritage in the Nation of their Own?

Do not make the mistake of keeping back from the right course of action when the right course is ever before us in the guidance and teachings of the most Honorable Elijah Muhammad, the Last Messenger of Allah.

Muhammad Speaks in the newspaper! Muhammad Speaks on the radio! Muhammad Speaks on the television and broadcasts across the nation! Muhammad Speaks in the colleges and universities of the land, in the diplomatic offices of every government all over the earth.

The sound and voice and trumpet of Messenger Muhammad has been heard around the world today.

Arise beautiful Black woman in America and return to peace and happiness and security in the Nation of your Own, the Nation of Islam that will live forever!
