IN the Name of Allah (God) MASTER FARD MUHAMMAD, to Whom Praises are due forever. The Woman in Islam Gives All Holy Praises to Allah (God) and Gives Thanks to Him for Giving us a Divine Teacher and Warner, MESSENGER MUHAMMAD. We Thank Him for His Divine Message, for our protection and salvation.

MESSENGER MUHAMMAD teaches us that this is the time that the Holy Quran teaches us of, "Fear a day when evil is spread far and wide."

MESSENGER MUHAMMAD warns us that the terrible events, that we hear of taking place elsewhere in the world, will also come to pass in America.

HOURLY, world news informs us of rebellions, killings of women and children, rape of women by invaders. Recently in Pennsylvania and elsewhere, here in America, in what had been, moments before a seemingly civilized city street — a moment later — mobs formed, ran amuck and in broad daylight raped women in the streets.

MESSENGER MUHAMMAD warns The Woman in Islam and all of the believers to travel only on busy thoroughfares, busy streets. Stay off of the streets and out of the presence of the wicked, day and night.

MESSENGER MUHAMMAD teaches us to come out of Christianity and fly to Allah (God). COME, FOLLOW MESSENGER MUHAMMAD, to safety.

MESSENGER MUHAMMAD teaches the believers that Allah (God) is after the wicked to destroy them and the believers must stay out of the way of Allah's (God's) Anger and Destruction of the wicked.

Bible Is. 26:20,21 verifies the truth that MESSENGER MUHAMMAD teaches us.

"Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast.

For, behold, the LORD cometh out of his place to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her blood, and shall no more cover her slain."

MESSENGER MUHAMMAD teaches The Woman in Islam "to make her home so desirable and so pleasingly beautiful that she and her family will enjoy staying in it — A home that they will be so happy and thankful for that they will kiss the door-post and give thanks to Allah (God) for such a beautiful and wonderful haven."

MESSENGER MUHAMMAD teaches The Woman in Islam that since this is the time of the year when the toy manufacturers are marketing their most scientific, unusual and educational toys, If you NEED toys, buy them now and put them away until after Christmas. Do not give the children toys on Christmas. However, you may not need to buy toys, as he noted that Muslim children do not yearn for toys as much as other children do. Remember, stay out of crowds. Be careful.

THE WOMAN in ISLAM Gives all Holy Praises to ALLAH (God) and Thanks Him for His Divine MESSENGER MUHAMMAD and His Divine MESSAGE.
