

The Woman in Islam

By Margary Hassain

In the Name of Allah (God) MASTER FARD MUHAMMAD, to Whom Praises are due forever. THE WOMAN IN ISLAM Gives All Holy Praises to Allah (God) and forever Thanks Allah for His Divine MESSENGER MUHAMMAD who teaches us the value, importance and meaning of "Accept your Own" and "Do something for self" ...The MESSENGER of Allah.

BLACK WOMAN IS LIMITED AND INCOMPLETE WITHOUT HER OWN BLACK MAN

MESSENGER MUHAMMAD is the only Divine Teacher since the Creation who teaches the Black Man and the Black Woman what is our Problem and what is the Divine Solution to our Problems.

MESSENGER MUHAMMAD teaches the Woman in Islam that the Black Man is the provider and the Protector of the Black Woman. That is his place and he must learn his place and take his place.

MESSENGER MUHAMMAD teaches The Woman in Islam that Man and Woman are a pair. The Holy Quran verifies this. Man needs woman and also woman needs man. When woman does not have her own man, she does not have security. In time of distress she is unprotected and alone. More than ever she is at the cunning mercilessness of the devil.

THE Black Man must wake up. The Black Man must come fully into Islam. The Black Man must come follow MESSENGER MUHAMMAD, and learn who he is and accept that which belongs to him.

THE Black man must come out from under the physical and mental enslavement of the devil, the opposer to our FREEDOM, JUSTICE AND EQUALITY:

WE hear the expression, "Into every life a little rain must fall." But, the woman must have a man to turn to and a home, to shelter her from the rain. A woman needs a home at all times. No one knows this more than the woman who has had to go through most of her life alone or a widow.

But, the Black woman who is a widow indeed, knows Allah is with her. The Woman in Islam must have her own Black man so that she can have the fullness of life.

Many times legally, she cannot have her own home because the devil's law tells her that she does not have a husband.

The Black Woman who does not have her own husband is in a miserable and pitiable condition, although she may be laughed at by her sisters who are more fortunate.

The Woman who does not have her own man is an outsider in life, for in time of trouble, she is hard - put for help, for every man is busy with his own affairs.

So, Black sisters, do not be careless unthankful and neglectful when you have a man of your own, for as you are unsympathetic and ridiculing your single sister today, perchance Allah (God) who Knows what we have need of Will cause the solitary one and the lonely widow to rejoice tomorrow.

ALL PRAISES ARE DUE TO ALLAH (God) for HIS DIVINE MESSENGER MUHAMMAD and His Divine Message. ALLAH IS THE GREATEST!
