

What Islam Has Done For Me

The Woman in Islam

By Margary Hassain

ALL praises to Allah (God) Master Fard Muhammad. THE WOMAN IN ISLAM gives all praises to Allah (God) and is ever thankful to Him for His Messenger Muhammad, who restores precious wisdom to us, in Islam, and leads us out of the world of Christianity, the world of the fool and the foolish.

MESSENGER Muhammad teaches us and we bear witness that the Way of Wisdom is life and the way of the fool is death. He teaches us that this is the time of the separation of the two (2) peoples and the tearing down of the unrighteous world and government and the building

up, with wisdom, of a new righteous government and world.

He teaches us, that THE WOMAN IN ISLAM is the Mother of Civilization and she and her children are the children of Wisdom. She is a happy mother. Pr. 10:1, "... a wise son maketh a glad father; but a foolish son is the heaviness of his mother." Therefore, THE WOMAN IS ISLAM, with loving care and firmness, raises her children in wisdom. "He that spareth his rod hateth his son; but he that loveth him chasteneth him betimes" Pr. 8:24—Chasten thy son while there is hope, and let not thy soul spare for his crying. "Pr. 19:18—"Foolishness is bound in the heart of a child; but the rod of correction shall drive it far from him." Pr. 22:15—Withhold not correction from the child; for if thou beatest him with the rod, he shall not die. "Pr. 22:13—The rod and reproof give wisdom:

but a child left to himself bringeth his mother to shame. Correct thy son and he shall give thee rest; yea, he shall give delight unto thy soul." Pr. 29:17.

THROUGH the Divine Guidance of Messenger Muhammad, THE WOMAN IN ISLAM is raising her sons to be

kings and to walk firmly in the path of the Law of Righteousness, for without a law there is no government. Through wisdom, a king rules and one who cannot rule himself cannot rule others.

THE WOMAN IN ISLAM gives all Holy Praises to Allah (God) and forever thanks Him

for His Messenger Muhammad and the Divine Message which teaches and prepares the Black Man to be the ruler of the Planet Earth.

ALL PRAISES ARE DUE TO ALLAH (God) Master Fard Muhammad!

Education: hallmark of civilization

Part 2

By Dr. Leo P. X. McCallum

With the cry that we must have an advanced education to qualify amongst the civilized nations of the world, those of us who claim we are educated would stop to examine what has our education really taught

us? If we look at facts as facts and accept reality as just that, we find as indicated last week that we can't really reconcile Christianity with an advanced education.

I CONSIDER myself to be a man of science and do you mean to tell me that all the folks who have died in years gone by are going to rise one day from a physical death and be physiologically functional beings such as the Bible indicated?

Now let me quickly insert here and now that the followers of the Honorable Elijah Muhammad do not disregard or disbelieve the phopthhood of Jesus. Nor do we think that the Bible is just a book of fairy tales. This is often the first thing people say about us. "Them o' Muslims don't believe in Jesus of God," or a like comment.

Nothing could be further from the truth.

The Honorable Elijah Muhammad in his inimitable way simply puts both Jesus and the Bible in their proper context and deals with the truth of the matter. The truth of the matter being, that the Bible has been distorted and tampered with to such an extent that truth and fiction are almost indistinguishable: that Jesus was a righteous man, a prophet; a messenger; a BLACK MAN AND A MUSLIM, a human being that lived, walked the earth and died like every other man before him and since him.

If you want to hear the real true history of Jesus, a sensible, realistic history, just go to the nearest Mosque and sit through one of Mr. Muhammad's Minister's lectures on the subject. We have been badly misled and we can prove—nay not we can prove it, but better still the Honorable Elijah Muhammad has already proven that the religion of Christianity could not possibly have been authored by the Supreme Being, God, whose proper name is Allah.

This teaching that has been going on through the land for more than 39 years now totally destroys the myth of

Christianity and replaces it with an irrefutable foundation — ISLAM.

Now think about it. Isn't God a Scientist?, A Mathematician: a Physician? an

Why should we be forced to accept something (Christianity) that has no basis whatsoever in the Universal order of things?

Educationally Christianity is just a bitter pill to swallow and that's all there is to it?

Yet the Honorable Elijah Muhammad is the first to say that a people who wish to be acceptable to the civilized world must be educated. Well if Muhammad is saying education is a must and at the same time works to give us a base for our education a religion as well, he must have two compatible systems working for him as indeed he does.

Education has an indestructible value but this true value can't be fully realized until it is related to God, Science, Culture, and a knowledge of oneself. Stick around, we intend to focus your attention on this relation just as the Honorable Elijah Muhammad has done for us. Architect? In fact the best of everything? Well, alright, if this is so why should He burden us with trying to figure out something as a way of life that meets no criteria of the reality of life as our five senses will allow us to know it?

Thanks Messenger

I would like to thank Messenger Muhammad, first of all, for teaching me the proper diet in order that I may enjoy good health. Again, I would like to thank Messenger Muhammad for my family who, I am the proud father of four sons to whom I pray they will be as anxious and as eager to carry the Message of Messenger Muhammad as I am.

Islam In Tuskegee

By Anna Karriem

Wearing African garments and hair style, the young Sister from Georgia said to the class "Students must reject the white symbols that are taught to them from the Bible and begin to relate the Bible to themselves and their history. Everybody knows that the Hebrews were Black..." She went on to tell us of her experiences in the Civil Rights Movement and that the white man intimidates Black people with his religion (Christianity) and the schools that he controls. Proposing that we as a student body unite to eliminate the presence of white instructors on Tuskegee's campus, she suggested that we begin by seeking student power on the institute's policy committees and demand that Black students be allowed to have a voice in determining who is hired to teach at Tuskegee Institute.

AT THE conclusion of her speech I was asked to address

the class. However, I chose to allow my two Muslim Brothers, Cordell and James, to ask her about her references to the Black man in the Bible, for they knew as did I that she was using the teachings of our Beloved Leader and Teacher and did not desire to give him credit. Brother James asked her "The Book of Genesis begins a history of a struggling people. Are these people Black, especially the people referred to in the fifteenth chapter of Genesis?" She replied "Brother let's not get hung up on one part of the Bible because the whole book refers to Black people. The thing we have got to do is unite this student body around Black Identity." One week prior to this meeting I had, in accord with the teachings of the Honorable Elijah Muhammad, taught six of the students present that the 15th chapter of Gen. refers to a prophecy of a Lost People in a Strange Land and that Messenger Muhammad had told me to tell them that this prophecy refers to the Black people of the Wilderness of North America who have suffered the affliction of the white man for over four hundred years. Her evasion of the question proved that in all her getting, she did not get understanding.

There is nothing more insulting to a student of the Honorable Elijah Muhammad than to sit and listen to a would-be leader revamp, add to, take out, and re-style the wisdom of Allah's Greatest Messenger, the Most Honorable Elijah Muhammad. When the opportunity presented itself, the class directed its attention to me and asked my opinion of white instructors. Thus, as he (Messenger Muhammad) had taught me, I began with two fundamental questions for those who had not been taught: Who is the Original Man and Who is the Devil? The first chapter of Job, and Isaiah; the fourth chapter of Revelation and the 37th psalm was pointed out to them as my Beloved Leader and teacher had interpreted them. Their undivided attention bore witness to the power of Allah and the greatness of His Messenger's ability to teach. As Messenger Muhammad so humbly said one evening, "I thank Allah for teaching me how to teach you." All praises are due to Allah.
