

# The Woman

By MARGARY HASSAIN

THE WOMAN IN ISLAM gives Eternal Praises to Allah (God) Who Came in the Person of Master Fard Muhammad. We forever thank Allah for His Messenger Muhammad, truly a man of principle.

MESSENGER MUHAMMAD teaches us that Every Word that Allah (God) Speaks Has Meaning. This is also true of His Messenger Muhammad. The Word which Messenger Muhammad gives to us is the Word of Allah (God). Messenger Muhammad teaches the principle of all things, so that we may become a people of principle.

WEBSTER'S DICTIONARY states that the word principle means foundation; that from which anything proceeds; original state; a rule of action. From even a surface study of this word alone, we the Muslims, can see the vital importance of the Black Man and Woman returning to their Own, our original state; a people of righteousness, peace, love and unity.

MESSENGER MUHAMMAD teaches us that husband and wife must learn their relationship... they must know their place and authority.

THE WOMAN IN ISLAM knows that the Black Man is the God of the Universe. He is the Creator and The Maker. He also made woman. The Bible and the Holy Quran both verify these great teachings of Messenger Muhammad. By nature the man is the boss, the builder.

THE God made woman From Himself, for Himself. Therefore the relationship between husband and wife is that they are one person. The woman was made to please the man, to care for his needs and to truly love, honor and obey him, for in Islam everyone is under the Law of Allah (God) and in obeying her husband, a righteous Muslim, THE WOMAN IN ISLAM is obeying Allah (God). Holy Quran 4:1 "And keep your duty to Allah, by Whom you demand of one another (your rights),..."

MESSENGER MUHAMMAD teaches us, "The woman should always smile and adore her husband and give him credit for his exalted position. If the husband has any intelligence at all she does not have to ask him to return this adoration. He gives it to her freely, for in loving her and displaying this affection, this is part of his beautiful love of himself."

THE WOMAN IN ISLAM forever thanks Allah for His Principles so freely given to us by His Man of Principles, Messenger Muhammad.

tries (such as food processing, canning, manufacturing of cloth and garments, lumber and woodwork, etc.) and certain "directly related" businesses (e.g., grocery stores and restaurants).

The verity of this observation can easily be obtained by interested parties by simply visiting and witnessing with their own eyes the extra-ordinarily significant, historic role being played by the NATION OF ISLAM-owned farms in Michigan, Alabama and Georgia—which, incidentally, are essentially pilot projects—and the superb SALAAM RESTAURANT and YOUR SUPER MARKET in Chicago.

The two types of economic enterprises (noted immediately above), in turn, should lead the

righteous (followers of the Honorable Elijah Muhammad) to great heights of economic abundance, self-sufficiency and social progress and, ultimately, straight to achieving the highest and supreme objective of the divinely-raised Messenger Muhammad's august mission—total SELF-INDEPENDENCE and NATIONAL HOOD for the twenty-five million "Asiatic" (Muslim, Black or so-called "Negro") inhabitants of this wilderness.

### 200,000 Indian Tea Growers on Strike

CALCUTTA — Some 200,000 workers at nearly 300 tea plantations in 2nd Northeast India have struck for higher wages. The plantations account for a quarter of India's annual tea production.

## Islam in Tuskegee

In a question and answer column (ACTION EXPRESS) of the August 19, 1969 issue of the Chicago Tribune, the columnist was asked by a reader to comment on Marcus Garvey's role in the progress of the Civil Rights movement. On the Basis of Falsehood, your printed answer read: "One of his (Marcus Garvey's) early lieutenants was Elijah Muhammad, present leader of the Black Muslims who continued to support Garvey's general notions of Black nationalism after Garvey's death in 1940 in his Jamaican home."

TRUTH, is generally the policy of any newspaper staff who wishes to inform the public. Yet, you, supposedly staunch guardians of the truth who are employed by the CHICAGO TRIBUNE, have seen fit to distort the truth of the Work of the Honorable Elijah Muhammad. You refer to him as a lieutenant of Marcus Garvey. Yet, history does not prove this reference to be based on truth as you well know. You would like the Messenger of

Allah to start a massive drive toward taking Black People back to Africa or make the public think that his leadership is designed to effect such a drive.

Webster's dictionary defines a lieutenant as a "representative of another in the performance of duty." The Honorable Elijah Muhammad represents the teaching of Allah (God) and has always taken instructions from God as you already know. He is building a nation within this wicked nation called America—a nation that does not thrive off the filth and wickedness that prompted you to print this lie. Marcus Garvey did not have Divine Guidance; thus, he sought to solve the Black Man's problem of oppression by running to a small country in West Africa (Liberia).

We, the Muslim followers of the Honorable Elijah Muhammad do not intend to go to Africa as a part of black nationalist movement because the earth belongs to the Black Man as our leader teaches us. It is you who will have to leave, but on a much broader scale—leave the planet earth. If it is within the realm

of your intelligence, refrain from commenting on the Messenger of Allah (God), for you do so only as a means of deceiving the Black Man. Such deceit shows the minuteness of your nature and bears witness to the teachings of The Honorable Elijah Muhammad—YOU ARE NOTHING BUT DEVILS.
