The Woman in Islam

By Margary Hassain

In The Name Of Allah, MASTER FARD MUHAMMAD to Whom Praises are due forever. The Woman In Islam forever Thanks Allah (God) for Raising up His MESSENGER MUHAMMAD to teach us the natural religion, Islam.

ISLAM is an ever source of joy to The Woman In Islam for it is truly in accord with her nature.

MESSENGER MUHAMMAD teaches The Woman In Islam that it is the nature of the woman to desire to please the man — and this is what she was made for. He teaches us how to care for ourselves and our husband and families, and to enjoy doing so. His teachings truly put us in our right mind.

ALL of the religions which the Black woman came into contact with, prior to her coming into Islam, taught her that when she decided to be 'holy' then she would have to make up her mind to be unattractive.

MESSENGER MUHAMMAD teaches us that it is the nature of the woman to strive to make herself attractive and to adorn, groom and improve her physical appearance, for it is pleasing to her husband to look at her lovely sight.

NOT ONLY does MESSENGER MUHAMMAD teach us what is pleasing and WHAT to do, but he teaches us the HOW of things, for he knows the science, the wisdom, of all that he teaches us. In all things, and in the right way, MESSENGER MUHAMMAD LEADS US THROUGH. THINK ABOUT IT.

The Woman in Islam is happy to learn what MESSENGER MUHAMMAD teaches us, for it brings us personal happiness. And through our practice of what MESSENGER MUHAMMAD teaches us, we bring happiness to those around us.

MESSENGER MUHAMMAD not only teaches us, but he provides the way and the means for us to follow him. For The Woman in Islam, MESSENGER MUHAMMAD has designed a new, beautiful, tasteful and dignified outfit from head to toe.

He has designed a precise and lovely head - piece (cap) which itself, is filled with wisdom. It is also a beautiful ornament, adornment. He has given permission for all of the sisters to wear this lovely cap, which many of you have seen the MGT & GCC teachers wear.

WE wear this proper head - piece in the proper manner, and you see an immediate effect take place in the sister wearing it. In keeping with this cap of wisdom, we unconsciously snap to attention. We are full of pride and purpose. Foolishness of mind and sluggishness of body flees from us. We are aware that we the Black People are a special people. We truly have our own, and we are returning to our own, under the wise guidance of MESSENGER MUHAMMAD.

Holy Qur'an, Ch. 7:32.

"Say: Who has forbidden the adornment of Allah, which He has brought forth for His servants, and the good provisions? Say: These are for the believers in the life of this world, purely (theirs) on the Resurrection day. Thus do We make the messages clear for a people who know."

The Woman In Islam gives all Holy Praises to Allah (God) Master Fard Muhammad, to Whom Praises are due forever, for Giving her His Messenger Muhammad, and His Divine Message.
